**Section E. Employer, verify the employee's period(s) of service with a non-participating charter school.**

Provide the employee's period(s) of service and verify the start and end date of the period(s) that meets the requirements. (A start date is not necessarily a hire date, and an end date is not necessarily a termination date.)

- For **retirement service type**, report the total of all months during the retirement service period. Certain community college, school system, and university employees have retirement service periods that are less than 12 months annually. For example, a teacher with a retirement service period beginning in August and ending in June is an 11 month retirement service type employee.
- For **retirement service period**, report the actual beginning month and ending month of the employee's regular term of annual employment.
