**Guide A. Who is eligible for retirement?**

The age and service requirements for eligibility for retirement are different with each Retirement System, so it is important to consult your benefits handbook (available at [www.myNCRetirement.com](http://www.myNCRetirement.com)) and your last system employer as you plan for your retirement. Once you meet the eligibility requirements, you may apply for monthly retirement benefits.

**Guide B. What are the steps in the retirement process?****Basic Steps in the Retirement Process**

1. Read, complete, and sign Form 6. Submit your application packet which includes a Form 6, proof of birth, and Social Security statement, if applicable.
2. Receive, complete, and return Form 170, Form 290 (see Guide D), and Form 333, if applicable.
3. Receive and review the Instructions and Guides to Selecting Health Coverage Through the State Health Plan Online. If eligible for coverage, follow the instructions to enroll. See Guide D for information on choosing health coverage for your dependents. Please be aware that retiree health coverage is not automatic; you must take action to enroll.
4. Receive, complete, and submit the Form 6E, to choose a retirement payment option, and Form 333BEN, if applicable.
5. Members with a retirement date effective on or before Dec. 1, 2023  
Your first retirement benefit payment should be a paper check. By cashing or depositing that check, you are locking in your retirement selections. If you do not cash or deposit that first check, you are locking in your retirement selections. If you do not cash or deposit that first check, you have until the next benefit payment date to change your mind about your selections. After that payment date, your retirement selections will be locked in, even if you didn't cash the first check. For a list of benefit payment dates, visit [myNCRetirement.com](http://myNCRetirement.com).

Members with a retirement date effective on or after Jan. 1, 2024  
Your first retirement benefit payment should be made by direct deposit. Instructions must be received and acknowledged by the Retirement Systems before your effective retirement date. Otherwise, a paper check will be mailed. Your retirement selection is locked in when the first payment becomes normally due and the first benefit payment date has occurred.

Your retirement selection is locked in when the first payment becomes normally due and the first benefit payment date has occurred. After a member has received their first payment through direct deposit or their first paper check has been mailed, they will be unable to make changes to their payment option and monthly survivorship beneficiary.

6. Receive all subsequent payments through direct deposit. Maintain your benefit account (see Guide D).

**More about Step 1: Signing Your Form 6**

Before you begin the retirement process, we encourage you to discuss your retirement plans with your family and your employer's benefits coordinator. When you are confident your retirement planning is complete, you are ready to complete Form 6 (Claiming Your Monthly Retirement Benefit).

If you sign your retirement application earlier than 120 days before your effective retirement date, your retirement application will not be processed, and you will be required to complete a new application that is signed within 120 days of your effective retirement date.

If you sign your application on or after your effective retirement date, your effective retirement date will be changed to the following month. You may submit the form yourself if you have been separated from your last system employer for more than three months or you do not intend to convert sick leave into retirement service credit. But if you do intend to convert any sick leave into retirement service credit, your employer must complete Section H of Form 6. In any case, we recommend that your Form 6 be submitted to the Retirement Systems Division at least 60 days but not more than 120 days before your effective retirement date in order to allow adequate time for the Division to process your application.

**More about Step 4: Submitting Your Form 6E**

Once the Retirement Systems Division has received your Form 6, the Division will send you additional forms (see Guide D). After we have reviewed your record of service, we will mail you an estimate that shows the amount of your maximum monthly benefit and alternative payment options.

After we have reviewed your record of service, we will mail you an estimate that shows the amount of your maximum monthly benefit and alternative payment options.

You may cancel the retirement process at this time. To continue, you will need to carefully review these options and make your choices on a Form 6E (Choosing Your Retirement Payment Option) that we provide to you with the estimate.

Your choice of payment option is an important decision as the law allows a change to your option only under specific and limited circumstances. We will send you a letter acknowledging that we have received your Forms 6E and 336. Your retirement application may be canceled if we do not receive your Form 6E within 120 days.

**More about Step 5: Receiving Your First Benefit Check****Members with a retirement date effective on or before Dec. 1, 2023**

Your first retirement benefit payment should be a paper check. By cashing or depositing that check, you are locking in your retirement selections. If you do not cash or deposit that first check, you are locking in your retirement selections. If you do not cash or deposit that first check, you have until the next benefit payment date to change your mind about your selections. After that payment date, your retirement selections will be locked in, even if you didn't cash the first check. For a list of benefit payment dates, visit [myNCRetirement.com](http://myNCRetirement.com).

**Please continue to the next page.**

**Guide B. What are the steps in the retirement process? (Continued)****Members with a retirement date effective on or after Jan. 1, 2024**

Your first retirement benefit payment should be made by direct deposit. Instructions must be received and acknowledged by the Retirement Systems before your effective retirement date. Otherwise, a paper check will be mailed. Your retirement selection is locked in when the first payment becomes normally due and the first benefit payment date has occurred.

Your retirement selection is locked in when the first payment becomes normally due and the first benefit payment date has occurred.

After a member has received their first payment through direct deposit or their first paper check has been mailed, they will be unable to make changes to their payment option and monthly survivorship beneficiary. If your contributions and service record is ever updated, your benefit amount may be adjusted to ensure that the amount is in compliance with retirement law. At any such time, we will send you a notice of the change. Your subsequent retirement payments will be deposited into your bank account on record by the 25th of the month. Each month you can view or print your deposit notification statement from your personal ORBIT account. You may always update your direct deposit information online in your secure ORBIT account.

**Guide C. What should I consider as I near my retirement date?**

Near your effective retirement date, consider the following:

**Sick leave.** Unused sick leave can be converted to additional retirement service credit at the time of your retirement if:

- Earned under a duly adopted sick leave policy.
- You would receive full salary when using the sick leave if absent from work due to sickness.
- You have not and will not receive any compensation for this sick leave.
- Your last day of service with your last participating TSERS employer is within five years prior to your TSERS effective date of retirement, or your last day of service with your last participating LGERS employer is within 365 days prior to your LGERS effective date of retirement.

- All other retirement eligibility requirements have been met.
- One month of credit is allowed for each 20 days of unused sick leave when you retire. One more month is allowed for any part of 20 days left over, provided the remaining portion is at least one hour.

**Service credit changes.** The more months you work, the higher your monthly retirement benefit is likely to be.

**Salary changes.** For TSERS and LGERS members, a change in salary may or may not affect the amount of your final retirement benefit. But if your salary is the highest it has ever been, and you received a raise within the last four years, you can estimate that the longer you work at your current rate, the higher your retirement benefit will be.

**Guide D. What other decisions will I make during the retirement process?**

The Division will supply you with other forms and information for your use in making other choices about your retirement.

**Choosing a bank account to receive your direct deposit.** This is completed online during the Retirement Online process, or by filling out a Form 170 (Authorizing Direct Deposit).

**Members with a retirement date effective on or before Dec. 1, 2023**

Your first retirement benefit payment should be a paper check. By cashing or depositing that check, you are locking in your retirement selections. If you do not cash or deposit that first check, you are locking in your retirement selections. If you do not cash or deposit that first check, you have until the next benefit payment date to change your mind about your selections. After that payment date, your retirement selections will be locked in, even if you didn't cash the first check. For a list of benefit payment dates, visit [myNCRetirement.com](http://myNCRetirement.com).

**Members with a retirement date effective on or after Jan. 1, 2024**

Your first retirement benefit payment should be made by direct deposit. Instructions must be received and acknowledged by the Retirement Systems before your effective retirement date. Otherwise, a paper check will be mailed. Your retirement selection is locked in when the first payment becomes normally due and the first benefit payment date has occurred.

**Changing health coverage.** If you are eligible for State Health Plan retiree group coverage, after your Form 6E has been processed by the Retirement System, we will send you Instructions and Guides to Changing Retiree Health Coverage through the State Health Plan Online.

**Choosing tax withholdings.** You will indicate your tax withholding preferences with a Form 290-23 (Choosing Your Tax Withholdings). Your retirement benefit is generally subject to income tax withholdings.

**Maintaining your account.** You will be able to modify many of these decisions at any time by submitting an additional form or by visiting [www.myNCRetirement.com](http://www.myNCRetirement.com) and logging into your secure ORBIT. Once you retire, you can view benefit payment history, change tax withholdings, order a new 1099-R, change your address, and more in your ORBIT account.

**Choosing the Contributory Death Benefit.** If you are retiring for the first time in your system, you will have an opportunity to participate in the optional \$10,000 Contributory Death Benefit for Retired Members. Shortly after we receive your Form 6, we will mail you a Form 333, which includes information about the contributions required for this optional benefit if you are eligible.

**Choosing Optional Supplemental Insurance.** Optional supplemental insurance coverage, such as vision, dental, accident, and term and whole life insurance, is available to retirees and benefit recipients through Pierce Insurance Agency Inc. Pierce will send you enrollment information after the first retirement benefit payment has been made.

**Please continue to the next page.**

## Guide E. What are my retirement payment options?

You have a choice of retirement options. You will be asked to choose one of these options in the next step of the retirement process. (These options include the Guaranteed Refund. See Guide F.) Please review the following retirement options. (Under LRS, only the Maximum Allowance and options 2 and 3 are available)

### OPTIONS WITHOUT A MONTHLY BENEFIT FOR A SURVIVOR AFTER YOUR DEATH

#### Maximum Allowance: Basic, Straight Life Benefit

You will receive a monthly retirement benefit that is paid throughout your lifetime with all monthly benefit payments ceasing at your death.

#### Option 4: Adjustment of Retirement Allowance and Social Security Benefits

You will receive a monthly retirement benefit that is larger than the Maximum Allowance until you are eligible for Social Security at age 62. Your Retirement System benefit will be reduced in the month following the month of initial entitlement for your Social Security age 62 benefit.

Your reduced retirement payments after age 62, plus your allowance from the Social Security Administration (SSA), should be approximately the same amount as the inflated payment you received from the Retirement System before age 62. You must be younger than 62 to qualify for this option. To choose this option, you must attach current documentation (less than 2 years old) from SSA that estimates the SSA benefits you should receive at age 62.

The actual amount of your retirement payments both before and after age 62 will be based on this estimate of benefits you provide to us from SSA before your retirement. Contact SSA for information on applying for benefits and the date that your first age 62 Social Security benefit will be paid to you.

### OPTIONS WITH A MONTHLY BENEFIT FOR A SURVIVOR AFTER YOUR DEATH

For all of the following, your benefit amount is affected by both your age and the age of the beneficiary you choose.

#### Option 2: 100% Joint and Survivorship

You will receive a reduced monthly retirement benefit that provides that upon your death, the same reduced retirement allowance will continue monthly to the survivorship beneficiary you designate, for the remainder of his/her life.

#### Option 3: 50% Joint and Survivorship

You will receive a reduced monthly retirement benefit that provides that upon your death, one-half of the reduced retirement allowance will continue monthly to the survivorship beneficiary you designate, for the remainder of his/her life.

#### Option 6-2: Modified 100% Joint and Survivorship

You will receive a reduced monthly retirement benefit that provides that upon your death, the same reduced retirement allowance will continue monthly to the survivorship beneficiary you designate, for the remainder of his/her life. However, should this beneficiary predecease you, your monthly benefit will increase to the maximum allowance.

#### Option 6-3: Modified 50% Joint and Survivorship

You will receive a reduced monthly retirement benefit that provides that upon your death, one-half of the reduced retirement allowance will continue monthly to the survivorship beneficiary you designate, for the remainder of his/her life. However, should this beneficiary predecease you, your monthly benefit will increase to the maximum allowance.

## Guide F. What is the Guaranteed Refund?

The Guaranteed Refund feature provides that under all retirement options, if you and your monthly survivorship beneficiary if applicable (and your spouse if you are a member of the Consolidated Judicial Retirement System) die before exhausting the total of your remaining accumulated contributions, any remaining portion will be paid in a lump sum payment to the beneficiary(ies) you designate. The purchase of additional creditable service after retirement (less the administrative fee) is also covered by the Guaranteed Refund feature.

You will be asked to designate a beneficiary(ies) for the Guaranteed Refund on Form 336 as one of the steps in the retirement process. Please note that you cannot name the same beneficiary for your Guaranteed Refund and a monthly survivorship beneficiary. If all of your accumulated contributions have been exhausted, your monthly retirement benefit will continue, but the Guaranteed Refund will not be payable.

## Guide G. What would happen if the retirement process were interrupted by my death?

If you die before your effective retirement date, your contributions and beneficiary(ies) will be treated as if you had never applied for retirement.

If you die after your effective retirement date and your Form 6E (Choosing Your Retirement Payment Option) has not been received by the Retirement System, and you have named only one beneficiary for your return of accumulated contributions, that beneficiary may elect to receive a monthly benefit or a return of your contributions in a lump sum payment or, if you have designated more than one

beneficiary or no beneficiary for your return of contributions, the administrator or executor of your estate may select the option and name the beneficiary(ies).

If you die after your effective date of retirement and your Form 6E has been received by the Retirement System, regardless of whether the Retirement System has issued your first check, your benefit will be paid based on the payment option and beneficiary(ies) you elected on your Form 6E.

**Please continue to the next page.**

## Guide H. How do I certify my ORP service credit?

In order to certify your Optional Retirement Program (ORP) service under TSERS reciprocity provisions, you must fill out a Form ORP, which is available on our website at [www.myNCRetirement.com](http://www.myNCRetirement.com). If these provisions do not apply, do not submit the Form ORP.

Before completing the form, please review the following information. TSERS reciprocity laws provide that:

- 1) Your ORP service credit with an employer who participates in the TSERS may be added to your TSERS service credit for the purpose of determining your eligibility for a reduced or unreduced TSERS benefit;
- 2) Only your creditable service in the TSERS will be used in computing the amount of your TSERS benefit; and
- 3) Creditable service shall not be counted twice for the same period of time whether earned as a member, purchased, or granted as prior service credits.

## Guide I. What are the return-to-work laws?

After you have retired and are receiving monthly benefits, if you perform work in any capacity for an employer under the same Retirement System from which you retired, you will be subject to return-to-work laws. These laws may require you to work under an earnings limitation or to reenroll as a contributing member of the Retirement System.

You will be subject to these laws based on the nature of the particular work you perform for a covered employer, regardless of your job classification or your technical employment status (which may include being assigned to work for a covered employer by a private company such as a temporary agency). Following return-to-work laws will protect you from incurring financial penalties, and possible loss of retirement benefits and State Health Plan coverage (if applicable).

If you retire from the Consolidated Judicial Retirement System (CJRS) or the Legislative Retirement System (LRS), or if you receive disability benefits from any System, please review the return-to-work section in your System's Your Retirement Benefits handbook, located on our web site at [www.myNCRetirement.com](http://www.myNCRetirement.com). Return-to-work laws apply differently to members of TSERS, LGERS, CJRS, and LRS.

### TSERS Return-to-Work Laws Summary

To avoid a financial penalty, TSERS members must be retired at least 6 months before returning to work for a TSERS employer in any capacity (except as a school board member, a member of a board of trustees of a community college or of any constituent institution of the University of North Carolina, or an unpaid bona fide volunteer).

If you violate this law, you can either be deemed to have retired the month after the month you performed services for the employer and repay all retirement benefits received until that date or make a lump sum payment to the Retirement System equal to three times the compensation earned during the 6-month period, whichever is less.

If your retirement benefit is canceled, your State Health Plan coverage also must be canceled. After a 6-month break, you can return to work with a TSERS employer and continue to receive your TSERS monthly retirement benefit if:

- 1) You work in a position that does not require membership in TSERS (NOTE: If you are reemployed in a TSERS position which requires you to be a permanent employee who works at least 30 hours per week for 9 months per year, your retirement payment must be stopped and you will again become a contributing TSERS member), and
- 2) You do not exceed your earnings restrictions, which is the greater of:
  - a) 50% of your compensation, excluding termination payments, reported to the Retirement System during the 12 months of service preceding the effective date of your retirement, or

b) \$42,160 (2025 amount).

These earnings restrictions apply for the 12 months immediately following retirement and for each future calendar year.

### LGERS Return-to-Work Laws Summary

To avoid a financial penalty, LGERS members must not return to work for an LGERS employer during the month in which their retirement became effective. If you violate this law, you can either be deemed to have retired the month after the month you performed services for the employer and repay all retirement benefits received until that date or make a lump sum payment to the Retirement System equal to three times the compensation earned during the month following the initial month of retirement, whichever is less.

If you have employer-provided health coverage, ask your employer how the cancellation of your retirement benefit will affect the health coverage. After a one-month break, you can perform services for an LGERS employer and continue to receive your LGERS monthly retirement benefit if:

- 1) You work in a position that does not require membership in LGERS. (NOTE: if you are reemployed by an LGERS employer in a regular position that requires at least 1,000 hours of work in a calendar year, your retirement payment must be stopped and you will again become a contributing LGERS member), and
- 2) You do not exceed your earnings restrictions, which is the greater of:
  - a) 50% of your compensation, excluding termination payments, reported to the Retirement System during the 12 months of service preceding the effective date of your retirement, or
  - b) \$42,160 (2025 amount).

These earnings restrictions apply for the 12 months immediately following retirement and for each calendar year following the year of retirement.

### Additional Information Regarding Return-to-Work Laws
